Founder and President  
The Six Boxes™

With the right guidance, a few hours of planning can be the difference between business-as-usual and real business success. A modest investment of time and money today will pay for itself many fold in the coming year, helping you define and reach your goals and grow your business more efficiently!

## The One Page Business Plan Workshop

Specifically designed for small to mid-sized businesses, this collaborative workshop enables you to create a plan that cuts through business-speak to get to the core of your mission, objectives, strategies and action plans – so you can realistically set about accomplishing your goals. At the end of this workshop your business plan will be 90% complete. The workshop will be followed by two private consultations to hone your plan...all included in the cost of the workshop.

Workshop leader Marlaina Williams is a certified One Page Business Plan Consultant and has been facilitating workshops for over 20 years to help small businesses and larger companies such as Microsoft, CompUSA and MSNBC build their businesses with effective leadership and planning.

**Who:** Any business owner or team leader who wants to focus on results

**What:** A workshop followed by private consulting to focus on your business plan

**Cost:** \$995 (includes 4-hour workshop and 2 private consultations)
